I would like to give our students a “BIG” Shout Out, in March we had an unexpected fire drill, it was not planned and although it was lunch time the student’s immediately lined up so they could wait for their Teacher. I was very proud of our 3rd, 4th, and 5th graders, congratulations students on a job well done.

Thank you 4th, 5th, and 6th grade for hosting an outstanding and fun Science Fair night! It takes a lot of work and organization to deliver such an event and you all did great!

Kindergarten Round Up was a great success. Class of 2031 is ready to rock n roll! We had 25 Kinders enroll. Yay!! Thank you to our amazing Teachers for organizing such a great event and to our support staff who helped out as well, we appreciate you.

March Math Madness night was an awesome event that brought out the students and their parents on this academic night. It is very appreciated to everyone who put their time in to make this such a great event for our Coyote Families. Thank You!

**AzMERIT** testing starts on April 2nd and ends on April 10th, we need every student present as we must test 100% of our students. Information regarding testing has been send home, please take time to read it and support your child in doing his/her personal best. You can help at home by encouraging your child to work on reading, multiplication facts, homework, and projects. The time a parent spends with their child on these endeavors is priceless!

The covered parking is *DONE!!* Thank you so much for being patient with the project!

*Mrs. Dale*

## JUST A REMINDER

Now is a good time to remind you of the Flowing Wells School District's Dress Code. You may be asked to bring a change of clothing for your child if he or she does not meet the following guidelines:

- ☑ Tops require at least 1" shoulders.
- ☑ Shorts must be an appropriate length (preferred length is mid thigh. However, the minimum length is 5" inseam).
- ☑ Short shirts with the midriff showing are not acceptable.

Please check those spring clothes because your child has definitely grown from the beginning of the school year. Thank you for helping keep children in the learning mode.
