Each year Centennial works to develop goals and objectives that focus on our students' individual needs. Information from the Dibels reading assessment and district assessments are analyzed and used to help develop these objectives. Specifically, we focus on Reading, Math, and parent involvement opportunities. We, as a staff, work to develop strategies to assist all students to grow and achieve at their level.

This month we will be hosting reading night for all students and parents to attend! Fall in Love Reading Night will be held on **Wednesday, November 15 from 5:00-6:00p.m.**, and we are excited for families to come and engage in different reading strategies for all ages.

Our intense reading intervention program for K-3 students continues to be implemented this year. The Skills for Success program is very active with homework help as well as literacy. The afterschool 21st Century program is a huge success as we have filled classes everyday where students receive academic help and enrichment opportunities. Afterschool clubs such as Choir and Robotics work to provide students enrichment opportunities as well.

OUR GOAL ... SUCCESS FOR YOUR STUDENT'S ACHIEVEMENT!

Wishing you and your family a safe and happy Thanksgiving holiday!

Respectfully,

Kristy Dale

AN EASY WAY TO EARN CASH FOR YOUR SCHOOL!

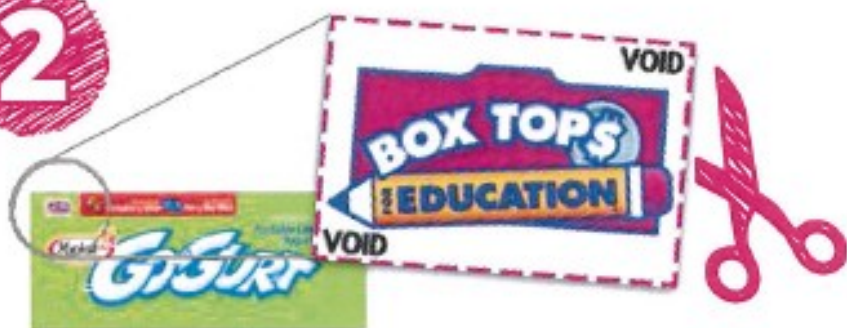

Look for the pink Box Top on hundreds of participating products. Each is worth 10¢ for your school!

1

BUY your favorite Box Tops products.

2

CUT out the Box Top from each package.

3

SEND your Box Tops to school with your child.

4

YOUR SCHOOL GETS CASH for every Box Top collected to help buy the things it needs most. All those Box Tops really add up!

Go online to www.btfe.com/products for a complete list of participating box tops products.
