A Message from the Principal

September 8, 2023

Coyote Families,

What a wonderful first month!! Students have transitioned back to school and our kinder friends were SO excited to begin school. Our goal at Centennial is to keep students safe, teach them, and of course love them. We promise we will always do what is in their best interest. Thank you for understanding the implementation of the new safety procedures. Please remember, parents may not go beyond the front door.

Just a few reminders:

- Please do not drop off your child prior to 7:30a.m., there is no supervision until then.
- Parents may join their child for breakfast or lunch, you must sign in at the front office.
- Progress Reports will be sent home on September 1, 2023.

The Skills program began on August 21st, it is a program that provides comprehensive developmentally appropriate after-school activities along with community support and education — all free of charge. The program provides opportunities that directly benefit the academic and social needs of each student with a focus on technology, engineering, teamwork, problem solving, reading, art and developing a positive self-concept. If you have any questions, please feel free to contact the Skills Coordinator, Mrs. Schreen Raboza at (520) 696-8249.

The Centennial PTO is still in need of volunteers for our events. If you can help please join us on Monday, September 11th at 2:30p.m., in the Library. Hope to see you there!

*Respectfully,
Dr. Saulsby*
