

## *A Message from the Principal*

March 1, 2024

Dear Coyote Families,

AzSCI Computer-Based training for 5th Grade will be 3/18/24 through 3/20/24; MSAA ELA and Math testing begins on 3/18/24 for Grades 3-6; and AASA testing will begin on April 3rd and will end on April 26th. We need every student present, we must test 100% of our students. You will be receiving information regarding testing. Please take time to read it with your child and support him/her in doing their personal best. You can help at home by encouraging your child to work on multiplication facts, homework, reading and projects. The time a parent spends with their child on these endeavors is priceless!

It was a wonderful "Love of Reading Week" in February, Centennial hosted 29 guest readers, 5th grade students escorted the guest readers to their assigned classroom, they were polite and the guest readers enjoyed their hospitality. Love of Reading Week "I Read Instead" was an amazing success, and such a great time for the students. They were able to participate and dress up in "red", as "pirates", "wear a text t-shirt", "wear something comfy to cozy up with a book", and the Vocabulary Parade was a great success. Many thanks to our Coyote staff who organized the week with fun events and prizes!

Upcoming events in March:

- \* End of 3rd Quarter - "NO" School (3/1)
- \* Kindergarten Round-Up (3/1)
- \* Parent/Teacher Conferences - "NOON" Dismissal (3/7 - 3/8)
- \* Spring Break - "NO" School (3/11 - 3/15)
- \* AzSCI Computer-Based Testing/5th grade (3/18 - 3/20)
- \* Honor Roll Assembly (3/27)
- \* COMMUNITY DAY (3/27)
- \* SPIRIT DAY "Social Emotional Learning Day - Inside/Out" (3/28)

As we begin to move into the final quarter of this school year, it is imperative we maintain those high expectations for academics and behaviors.

Parents: just a friendly reminder at dismissal time. When picking up your child(ren) please get down from your vehicle to pick up them up, unless it is a unique situation that we know about. We will not send any student across the street or parking lot, it is too dangerous - even for the older students. Thank you for your cooperation.

*Respectfully,  
Dr. Saulsby*
